

RESEARCH & INNOVATION PROGRAMME  
ON RAW MATERIALS  
TO FOSTER CIRCULAR ECONOMY

Co-funded by the Horizon 2020 programme  
of the European Union

**Diego Galeano**

DNPPC – MINCYT  
ARGENTINA

**Ministerio de Ciencia,  
Tecnología e Innovación  
Argentina**

*ERA-MIN 2 Final Conference and Final Seminar of Call 2017 projects – Lisbon, November 2021*

# Strengthening the raw materials research community

Goals?  
How?  
Who?

# International cooperation with countries outside Europe

**Main Goal: build and intensify the collaboration with these countries to develop/ reinforce research synergies.**

- Building on the existing bilateral and multilateral relations and contacts of **ERA-MIN 2** partners, as well as raw materials diplomacy
- Extend the cooperation to **technologically advanced countries**
- Enhance the cooperation with specific regions

# International cooperation with countries outside Europe

## Report on international cooperation with countries outside Europe - public

## Target identified countries :

- **Latin America countries (Colombia, Mexico, Peru, Uruguay)**
- **Australia, Canada, Japan and USA**
- **African Union countries**
- **Other countries that have signed political agreements and letters of intent for Raw Materials through the EU Raw Materials Diplomacy**

## ERA-MIN 2 Observer Organisations (non-European)

2016	Expectation	2022
3	6	??

- FAPEMIG (Minas Gerais state- Brazil)
- FONDECYT (Peru)
- FRQNT - Fonds de recherche du Québec – Nature and technologies (Canada- Québec province)

## ERA-MIN Joint Calls – Geographical Support by other Initiatives

**ALCUE-NET** (INCONet between the European Union and Latin America and the Caribbean)

**ERANET-LAC** (Latin America, Caribbean and European Union)

**CAAST-NET PLUS** Advancing Sub-Saharan Africa-EU R&I for Global Challenges

**ERAFRICA** promoting an unified European approach to collaborate with Africa in the field of science and technology research for innovation and sustainable development

## Platforms:

## Platforms/Dialogues:

ERA-MIN 2 is a Member of the EU-Canada Raw Materials  
Stakeholders Forum Steering Committee

## Collaborations through transnational R&I projects of Calls 2017&2018&2019:

- ***Argentina*** has cooperated with 6 EU countries, one EU region and South Africa. Argentina coordinates one of the 4 R&I projects
- ***Brazil*** has cooperated with 6 different EU countries, Turkey and Chile. Brazil coordinates 2 of the 4 R&I projects
- ***Chile*** has cooperated with 4 EU countries, Brazil and South Africa. Chile participates in 4 projects

## Collaborations through transnational R&I projects of Calls 2017&2018&2019:

- ***South Africa*** has cooperated with 9 EU countries and also Turkey, Argentina, Chile and Québec. South Africa coordinates 2 of the 8 R&I projects
- ***Québec*** participates in one R&I project in cooperation with Greece and South Africa

# ERA-MIN 2 International Cooperation Achieved

## The research priorities were informed from:

CSA STRADE  
CSA INTRAW

## Funding organisation associated to additional joint calls:

FRQNT – Québec province/ Canada

## The ERA-MIN joint calls were disseminated to:

INTRAW –International Raw Materials Observatory

INCOBRA

ENRICH Brazil

EU-CELAC SOM

CYTED

NEDO-Japan

Trilateral Conference EU-US-Japan
